ORDER

Pending is the application of the parties and the court-appointed Settlement Administrator, SmithCochranHicks PLLC ("SCH"), filed December 31, 2018, for the court to approve the distribution of a portion of the Initial Contingent Fund Contribution for approved uncontested Individual Review Option Claims pursuant to Section 6.2.2.2 of the Amended Class Action Settlement Agreement ("ASA") (Doc. 1163-1) approved by the court's Order Granting Final Approval of the Good Class Settlement and Entering Judgment (Doc. 1212). Attached as an

exhibit to the Application is a schedule detailing the proposed distribution to wage earners and pregnancy claimants as well as seven residential and one business (Freedom Industries \$1,000,000.00) claims and SCH fees, all aggregating \$3,121,526.56.

The court finds that the proposed distribution of assets, which is agreed to by all parties and SCH, is in accordance with the provisions of the ASA as approved by the court. Therefore, the court APPROVES the application and directs SCH to prepare checks so that they can be mailed within one week from the date of entry of this order to the uncontested Individual Review Option Claims claimants as more fully described in the attached schedule under Section 6.2.2.2 of the ASA and Section XI of the Distribution Protocols. The distribution shall be subject to this court's previous orders with respect to the approval of the ASA.

The Clerk is requested to transmit copies of this order to all counsel of record.
